Section I – Background

1. National Rural Health Mission (NRHM) of the Ministry of Health & Family Welfare was launched on 12th April, 2005 by the Government of India to improve medical facilities in all the rural area in the country. The NRHM seeks to provide accessible, affordable and quality health care to the rural population, especially the vulnerable sections. It also seeks to reduce the Maternal Mortality Ratio (MMR) in the country from 407 to 100 per 1,00,000 live births, Infant Mortality rate (IMR) from 60 to 30 per 1000 live births and the Total Fertility Rate (TFR) from 3.0 to 2.1 within the 7 year period of the Mission.

2. One of the visions of the Mission is to increase public spending on health from 0.9% to 2-3% of GDP, with the improved arrangement for community financing and risk pooling. The NRHM has provided an umbrella under which the existing Reproductive and Child Health Programme (RCH) and various National Disease Control Programmes (NDCPs) have been repositioned.

3. At present the following Schemes come under the National Rural Health Mission:

A. National Disease Control Programmes:
   - National Vector Borne Disease Control Programme (NVBDCP).
   - Revised National Tuberculosis Control Programme (RNTCP).
   - National Leprosy Control Programme (NLCP).
   - National Blindness Control Programme.
   - Integrated Disease Surveillance Project (IDSP).

B. Reproductive and Child Health Programme: (RCH Flexipool)
   & Additionalities Under NRHM: (Mission Flexipool)
   & Operating Costs for Routine Immunisation & Injection safety.
   & Operating Cost for Pulse Polio Immunisation.

4. Institutional and Funding Arrangements: For the implementation of the above programmes an MOHFW has required the creation of an Integrated Health Society at District levels (registered as a legal entity at the State and District under the national or state societies registration Act). This is against the earlier arrangement of having distinct legal units (societies) for each program/scheme. Such integrated District Health Society (DHS) Diu works in close coordination with the Directorate of Health & Family Welfare and District Health Societies (DHS) work in coordination with the District Collector and District CMO. Program implementation is done through its District Chief Medical Officer’s office, Blocks, Community Health Centres (CHCs), Primary Health Centres (PHCs), Sub-Centres (SCs) and Village Health Sanitation Committees. Certain activities may be managed at the District level such as drug procurement, IEC, civil works, training using specialized entities such as SIHFW, IEC Bureau, PWD, the Directorate of Health and municipal corporations for the urban health components. In addition funds are also released NGOs and private entities under public private participation arrangements.

Funding & Accounting Arrangements: Funds for the various programs are transferred to the States from the Government of India in the form of Grants-in-Aid to SHS on the basis of respective State Programme Implementation Plan (SPIPs) and approved Annual Work Plans which are prepared on the basis of District Health Action Plans (DHAP) of each of the districts in the State. Under the umbrella of the integrated SHS/DHS each program has separate bank accounts, maintains separate books of accounts and other financial records as required under each program and also submit separate financial activity reports at varying frequencies to the respective monitoring unit in MOHFW (GOI).

5. Financing by Development Partners/ Donors: Some of the programs are supported by development partners such as the World Bank, DFID, UNFPA, GFATM etc for which grant/ credit agreements have been entered into by GoI with the respective development partners. Compliance with specific fiduciary requirements of the development partners will additionally need to be reported by the auditors. Copies of the legal agreements and other project documents will be provided to the auditors.
Section II

Objective of concurrent audit services: The objective of the concurrent audit is to ensure that the State Society receives adequate, independent, professional audit assurance that the grant proceeds provided by MOHFW are used for purposes intended in line with approved PIPs and AWP of individual programs and that the financial statements are free from material mis-statements and the terms of the credit/loan agreements of the development partners are complied with in all material respects.

The focus of concurrent audit initiative will be:

1) Accuracy is ensured in the maintenance of books of accounts and these are maintained on a timely basis.
2) Advances are tracked, followed up and settled on a priority basis.
3) Exclusion of advances being shown as expenditure in the FM Rs.
